

Information flow scares cults. TPM is no different from the others in this cult league. They would go to any extent to make their mess look like a defaming exercise by an enemy. They indulge in theocratic warfare to cover-up their stink. ***Theocratic Warfare*** is a terminology commonly used in Jehovah's Witnesses Circle. However, this technique is employed in different cults and religions including TPM. In Islam, this same thing is called *Taqiyya*. In short, it is "***Lying to cover up the truth***".

In TPM, it is justified to lie and feign ignorance to cover up for the Organization. Truth takes a back seat when their Holy Cow(TPM Organization) is in the focus. Their ignorant believers are blinded in such a way that they will ignore the obvious even when seen in broad daylight.

This is not a new technique in TPM. It has been employed for many years as far as I can recollect. When we were teenagers in TPM and worker sisters used to visit our home, my mom would inquire about various TPM ministers she knew. Once in a while, these sisters would say that the said minister has moved SOUTH. So as we were in North India, we would assume that the said minister had been transferred to some South Indian Centre. It was later only understood by us that their "SOUTH GOING" actually meant that the person left the Ministry. Remember, that we were quite a good family and my dad used to pay them the monthly tithe faithfully. However, they never considered us as a part of them. They wanted our money but not us. Over the years, TPM has not changed a bit. Rather they have become more controlling of their information flow. They know these pieces of information will create huge dents into their false propagation of being Apostles and Saints perfecting the Church of Christ.

They claim to dwell in Zion but has no truth Within.

O LORD, who may abide in Your tent? Who may dwell on Your holy hill (**ZION**)? The one whose walk is blameless, who does what is righteous, **who speaks the truth from their heart;**

Psalm 15:1-2

⁵ And **in their mouth was found no guile:** for they are without fault before the throne of

God. Revelation 14:5

The Mind Control

These TPM Ministers who indulge in the Theocratic Warfare(propagating lies) are totally deceived by their leaders and the environment they are in. They are convinced that any disrepute to TPM is a disrepute to Jesus Christ. This is because they also think that the Organization of TPM is THE CHURCH OF GOD. We all know, their teaching says that all other Christian Denominations are false systems which do not teach the Doctrine of Perfection as intended by God.

while evildoers and impostors will go from bad to worse, ***deceiving and being deceived***. 2
Timothy 3:13

I have been asking my local ministers about certain incidents which have been happening in TPM since few months. Of course, they are of the opinion that I am an innocent brainwashed believer who believes all their sermons and is a controlled person. They told me that Kanagaraj died of a heart attack. When asked further, he wanted to change the topic and take me to a different direction. Similarly, the believers are made to believe that there is a malicious attack on Pastor Sunny by devious people. Hence he has been transferred to Trichur for lesser visibility to avoid attacks.

Recently there was a commentator by name RG who launched a tirade against this website and was very upset with the exposure of Pastor Sunny's adventures. I could not help but note one important thing which he was repeating. *He was upset that we were EXPOSING TPM*. He was not upset that such a thing has happened in TPM. But his problem was with us telling it as it is.

Why Can't TPM Stand the Truth?

This is a question which many people fail to ask. I would like to proclaim the reason for this phenomenon. Its so Simple but people have a tough time accepting it.

Answer: Because TPM stands for and promotes Lies

Just as Darkness cannot stand Light, So is the case with Lies. Lies cannot stand the Truth. We are putting just Plain truth on this website. People who love the truth has been accepting it

since we began it.

They need not Fear if they have the Truth. They should be able to stand any scrutiny knowing they are on the right side.

Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own, for he is a liar and the father of it.

John 8:44

I thank God for the honesty and virility of Jesus religion which makes us face the facts and calls us to take a man's part in the real battle of life.

(Henry Van Dyke)

TPM

leadership Fear People thinking for themselves. Therefore, they want to block out all sources of information which will make them think other than the official line of teaching. TPM Believers are programmed in such a way that they feel guilty of knowing anything different from what the clergy says. They are forbidden to think for themselves when it comes to their spirituality but must blindly accept anything the organization teaches.

They know that an INFORMED TPMer will soon become and EX-TPMer.

The Internet represents freedom of information. When TPMers read anything other than the propaganda TPM puts out, they can see truthful gaping holes in their theology. In other words, the Leadership has learned that almost every time any TPMer begins to cross-examine the organizational doctrines(presented as deeper truths), their speed of departure is directly proportionate to their personal honesty towards the facts of history.

Dear Reader,

Its time to face the facts. Admit and deal with the truth, even if it hurts. Don't run away from it. By doing so, you are just deceiving yourselves.
